Sub: - Letter of Appreciation towards achieving best SI during April 2022 month.

Dear Sir,

We are pleased to appreciate you and your team for good safety performance and noticeable contribution in our CSM journey and execution of jobs with safety aspects as per UTCC safety standard. It could become possible due to various methodology viz. daily tool-box meeting, time to time training, proper supervision, awareness provided to your team etc.

During CFSA audit in April'2022, your average Severity Index for the month observed as 1, which is considered as a good indication.

Considering positive attitude of your team, we are looking forward to your continued contribution to achieve UTCC desired targets in CSM.

With Best Regards
